**SPRING HILL COLLEGE
ALUMNI DIRECTORY
1990**

Spring Hill College is a Catholic,
Jesuit, liberal arts college. Its
mission is the formation of men and
women into persons who are
intellectually, spiritually, socially
and morally mature.

MESSAGE FROM THE PRESIDENT

Dear Alumni,

After assuming the presidency of Spring Hill College, one of the first things that caught my attention was the strong sense of family that existed on campus and at alumni gatherings across the country. During my first year, I have sensed a strong commitment from all parts of this "family" to make Spring Hill the best Catholic liberal arts college in America.

The Spring Hill family consists of Jesuits who are dedicated to Ignatian ideals, faculty who are challenging and committed, students who are striving to attain educational excellence and you, the alumni, who will hold Spring Hill in your hearts forever.

It is our hope that this 1990 edition of the Spring Hill College Alumni Directory will help you locate members of "your family" and renew relationships. I hope you will use this as an essential link to your former classmates and to the College. Every five years a new directory is printed to help our alumni family keep in touch.

As your president, I warmly embrace you as a family and promise to support programs that will meet your needs and the needs of the College.

Sincerely,

William J. Rewak, S.J.
President

MESSAGE FROM ROBERT J. YOUNG, JR. PRESIDENT NATIONAL ALUMNI ASSOCIATION

Dear Alumni:

On behalf of the National Alumni Association, I am pleased to introduce the 1990 edition of the Spring Hill College Alumni Directory. This directory was compiled from alumni questionnaires and information in the alumni data base. It is a testament to the diversity of Spring Hill's alumni, living in 17 foreign countries and 50 states.

Among the alumni listed in this edition are many who have faithfully served Spring Hill in their own communities. The officers of the Spring Hill College National Alumni Association are grateful for their service and invite each of you to become actively involved with us so you too can become a strong advocate for Spring Hill. Only with the support of its alumni will Spring Hill continue to be a great Jesuit institution of higher learning.

Sincerely, /

A handwritten signature in dark ink, reading "Robert J. Young, Jr." The signature is written in a cursive, flowing style.

A HISTORY OF SPRING HILL COLLEGE

Spring Hill College was founded in 1830 by the first bishop of Mobile, Michael Portier. After purchasing a site for the college on a hill near Mobile, Bishop Portier went to France to find teachers and funds for the new college. Upon his return he rented a hotel next to the college grounds and started the first semester on May 1, 1830, with an enrollment of 30 students. On July 4 of the same year the bishop laid the cornerstone of the first permanent building. It stood on the site of the present Administration Building and opened for classes in November 1831. Thus, Spring Hill takes its place among the oldest colleges in the South. It is the third oldest Jesuit college in the United States.

In 1836 the governor of Alabama signed a legislative act which chartered the College and gave it "full power to grant or confer such degree or degrees in the arts and sciences, or in any art or science . . . as are usually granted or conferred by other seminaries of learning in the United States. " This power was used in the following year, 1837, when four graduates received their degrees. Spring Hill is the oldest four-year college in the state of Alabama.

The first two presidents of the College were called away to be bishops, one to Dubuque (Bishop Mathias Loras), the other to Vincennes (Bishop John Bazin); and the third, Father Peter Mauvernay, died after a brief term of office. Bishop Portier then found it necessary to transfer the College, first to the French congregation of the Fathers of Mercy and next to the Congregation of Eudists, both of whom lacked teaching and administrative experience. He then persuaded the Fathers of the Lyons Province of the Society of Jesus to take possession of the College. The new regime was inaugurated with Father Francis Gautrelet, S.J., as president in September 1847. Since that time the institution has continued under Jesuit direction.

Instruction at the College was not interrupted by the Civil War, but in 1869 a fire destroyed the main building and required the removal of students and faculty to St. Charles College, Grand Coteau, Louisiana. Bishop Quinlan and other benefactors assisted in rebuilding the College, which reopened at Spring Hill before the year's end.

As the enrollment increased, Quinlan Hall, the College Chapel, the Byrne Memorial Library and Mobile Hall were built. In 1935, the high school, which had been a unit distinct from the College since 1923, was discontinued. In the space vacated by the high school, the Jesuit House of Studies opened in 1937; and the Scholasticate of the Sacred Heart opened on a site adjoining the College a few years later. After World War II, a great influx of veterans taxed the facilities of the College, requiring the erection of a number of temporary buildings on the campus.

At the request of His Excellency, Archbishop Thomas J. Toolen of Mobile, the College became coeducational in 1952. At present the ratio of male to female students is approximately 1:1. Black students were accepted into all departments of the College for the first time in 1954, the first year it was lawful to do so in the state of Alabama. At present, there are 1,100 degree-seeking students.
